The ordered product will be delivered by courier after bank transfer. The user prepays the final amount of the order by direct bank transfer.

Bank card payment :

I acknowledge that the following personal data stored by the Service Provider in the user database of www.szeleshat.hu will be transferred to the data processor. The scope of data transmitted by the data controller is as follows: Billing name and address, e-mail, telephone number.

Online credit card payments are made through the Barion system. Credit card details will not be sent to the merchant. The service provider Barion Payment Zrt. Is an institution under the supervision of the Magyar Nemzeti Bank, its license number: H-EN-I-1064/2013.

Shipping cost (includes VAT):

Home delivery in Hungary 2 500 HUF.

Delivery is free of charge for purchases over HUF 15 000 HUF!

If there is an error or defect in the products or prices in the webshop, we reserve the right to make corrections. In this case, we will inform the customer of the new data immediately after recognizing or modifying the error. The user can then confirm the order once more or withdraw from the contract.

The final amount to be paid includes all costs based on the order summary and confirmation letter. User of the Civil Code. 6: 127. §, it is obliged to inspect the package without delay, preferably before delivery to the courier, in case of damage, it is not obliged to accept the package. If the User does not inspect the package, he / she commits a breach of contract and bears the consequences (difficulty in proving the condition of the product). The product (s) will be delivered on working days between 8 am and 5 pm.

After entering the data, the User can send his order by clicking on the "order" button, but before that he can check the entered data again, send a comment about his order or inform us by e-mail about his other wishes related to the order.

By placing an order, the user acknowledges that his payment obligation arises.

Correcting data entry errors: Before completing the ordering process, the user can always return to the previous phase, where he can correct the data entered. In detail: During the order it is possible to view or modify the contents of the basket, if the basket does not contain the quantity to be ordered, the User can enter the number of the quantity to be ordered in the data entry field in the quantity column. If the User wishes to delete the products in the cart, he / she clicks on the "X" "delete"

button. During the order, the User has the possibility to correct / delete the entered data continuously.

The user will receive a confirmation e-mail after the order has been sent. If this confirmation is not received by the User within the expected time limit, depending on the nature of the service, but no later than within 72 hours from the sending of the User's order, the User is released from the offer or contractual obligation. The order and its confirmation shall be deemed to have been received by the Service Provider or the User when it becomes available to him. The Service Provider excludes its responsibility for the confirmation if the confirmation does not arrive on time because the User provided an incorrect e-mail address during registration or is unable to receive a message due to the saturation of the storage space belonging to his account.

The user acknowledges that the confirmation discussed in the previous point is only an automatic confirmation, it does not create the contract. The contract is concluded when the Service Provider notifies the User in another e-mail after the automatic confirmation mentioned in the previous point about the details of the order and its expected fulfillment.
